

SoBoCo Indivisible 2026 Voter Guide

Here is our guide to Colorado's ballot measures to support and oppose in this year's November election. This year's ballot is long—make sure to vote your entire ballot!

We encourage you to vote for Democrats all the way down the ballot. This is a strategic move so we can regain control of Congress and maintain control of our state legislature. We need Dems in office to help hold this administration accountable and begin to create the future we want.

We recommend you
vote BLUE all the way
down your ballot!

Ballot Measures

Number	Title	Key Takeaway
Statewide Ballot Measures		
Amendment 87	Graduated Income Tax	Increases taxes on the wealthiest 3%, everyone else pays less.
Proposition NN	Increase TABOR cap and use surplus funds for K-12 education expenses	Money for schools!
Boulder County		
County Issue 1A	Early Childhood Care and Education	Pro-child, pro-family, and addresses childcare affordability and accessibility issues.
City of Boulder		
Ballot Question 2L	Bargaining Rights Union Firefighters in City Charter	Supports unions

NOTE: Amendment 87 ("GIT") and Amendment 136 ("SH!T") are in direct opposition. The Secretary of State has determined that if both pass, the measure with the most votes wins. **Turnout matters.**

Number	Title	Key Takeaway

Amendment 83*	Right to Hunt and Fish Initiative	Already legal, could bring back steel leg traps and baiting
Amendment 84*	Mail Ballot Voter Identification	Anti-democratic, invasion of privacy, unnecessary
Amendment 85*	Plain Language Ballot Questions	Oversimplification risks omitting costs and who pays
Amendment 86*	Conditional Redistricting	Keeps Democrats from countering GOP gerrymandering elsewhere
Proposition 132*	Colorado Penalties for Fentanyl Sale and Possession Initiative	Packs prisons, thwarts judges
Proposition 133^	Colorado Require Life in Prison for Human Trafficking of Minors Measure	Bad Trojan horse! Could target people helping youth from red states to access abortion services.
Proposition 134^	Colorado Sex Requirement for School and College Sports Initiative	Anti-trans, anti-child
Proposition 135^	Colorado Prohibit Surgeries for Treatment in Response to Minors' Perception of Sex or Gender Measure	Anti-trans, inserts gov't in personal medical decisions
Proposition 136*	Cap Individual and Corporate Income Tax at 4.4% Initiative	Pro-TABOR, benefits extremely wealthy people and corporations at expense of social services
Proposition 137	Retain Sporting Goods Sales Tax Revenue for Conservation and Wildfire Prevention Fund Initiative	Poorly written, pro-logging, no money for home-hardening, takes away from general fund

***Backed by Advance Colorado**, a right-wing, extremist group behind an unbelievable 8 of the 14 measures on the ballot. They can't win in the legislature, so they bloat the ballot with extreme measures qualifying via rabid paid signature collectors. Don't be fooled. This is not grassroots politics. This is astroturf.
